## Resident of the Month: Pat T.

I chose Outlook Gwinnett because it's light, cheerful, and the moment I saw the apartment, I knew it was home. The office staff are incredibly welcoming -- Outlook Gwinnett truly stands out. The lifestyle program and social events, like Wine Down, make it easy to build real friendships. The best part of my life here is sharing meaningful moments with my family, the community, Chuck, and enjoying quality time together.

**Register for our Package Concierge lockers. It is FREE!** We can help you set it up and we can demonstrate how to use the lockers. We will be happy to assist. Please note that resident-led events are organized by residents, for residents. These events are planned and facilitated by fellow residents. If you have any questions, comments, or need additional details about a resident-led event, please reach out in the GroupMe chat. Thank you for your participation and engagement! RSVP to all events and read the weeklies posted in the common areas and elevators for locations and descriptors. 😊
